Certified Tester AI Testing

Version v1.0

Release Notes

On October 1st, 2021, the ISTQB® General Assembly voted on and approved the version v1.0 of the Certified Tester AI Testing (CT-AI) syllabus. The v1.0 syllabus has been developed by the ISTQB® task force for CT-AI in accordance with the ISTQB® development process.

This syllabus substitutes the three source syllabi:

- A4Q AI and Software Testing, developed by A4Q
- AI Testing (Testing AI-based system) Certified Tester, developed by KSTQB and CSTQB
- AiU Certified Tester in AI, developed by AiU

All three source syllabi will be withdrawn from the market according to the ISTQB® sunset rules, i.e. twelve months after the launch of the ISTQB® Certified Testing AI Testing Syllabus. Already certified Product professionals will be grandfathered into the ISTQB® program.

The new 1.0 CT-AI syllabus will be officially launched on **October 12th, 2021.**
